

Transportation Information Distributed by Transportation External Coordination Working Group Participants

Introduction: In 1999, in response to a request from the Transportation External Coordination Working Group (TEC/WG), this listing of information products developed by TEC/WG member organizations and the U.S. Department of Energy was assembled for the Communications Topic Group. This report will be updated as needed. Please note: There may be a fee for some of these materials.

<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Booklets/Brochures:			
Commercial Vehicle Safety Alliance Enhanced North American Standard Inspection Procedures and Out-of-Service Criteria (5/98)	Booklet	Details inspection procedures and out-of-service criteria for commercial highway vehicles transporting spent nuclear fuel and high-level radioactive waste. (Law Enforcement/ Inspectors/Federal, State, Tribal, Local Government Officials, and the Transportation Industry)	Commercial Vehicle Safety Alliance under Cooperative Agreement with the United States Department of Energy http://www.cvsa.org/ Phone: 301-564-1623 Fax: 301-564-0588
Directory of State and Federal Officials Involved with the Transportation of Radioactive Material (Annually)	Booklet	Lists appropriate contacts in each State. (Federal Agencies/Shippers/Carriers)	Conference of Radiation Control Program Directors, Inc. http://www.crcpd.org/ Phone: 502-227-4543 Fax: 502-227-7862
DOE Program Managers Guide to Transportation Planning (11/98)	Booklet	Provides guidance document for transportation planning at U.S. Department of Energy (DOE) (DOE Program Managers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
Guide to Foreign Research Reactor Spent Fuel, A (6/98)	Booklet	Explains the return of foreign research reactor spent nuclear fuel to the U.S. (Media and General Public)	National Safety Council under Cooperative Agreement with the U.S. Department of Energy http://www.nsc.org/ehc.htm/

Transportation Information Distributed by Transportation External Coordination Working Group Participants

			Phone: 202-293-2270 Fax: 202-293-0032 Email: ehc@nsc.org
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Hazardous Materials Transportation Regulatory and Enforcement Programs: A Governors Guide	Booklet	Provides an introduction to the general public concerned with hazardous materials transportation. (Governors)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
How to Handle RAM Packages	Brochure	Explains how to handle radioactive materials. (General Public/Shippers/Carriers)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
How to Use the HMR 1997/1998 Edition (1998)	Booklet	Provides a hands-on approach to using the Hazardous Materials Regulations (HMR); available in English and Spanish. (Transportation Community)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
Intrastate Commerce Brochure	Brochure	Addresses regulations concerning transportation of	U.S. Department of Transportation

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		hazardous materials in intrastate commerce. (Transportation Community/General Public)	Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
On the Road to the WIPP	Brochure	Provides basic information about the history, present activities and future plans for transuranic waste shipments to the Waste Isolation Pilot Plant. (General Public)	Idaho National Engineering and Environmental Laboratory Community Relations Office http://www.inel.gov/ Phone: 1-800-708-2680 Email: syf@inel.gov
Operation Respond Emergency Information System	Brochure	Introduces information system promoted by the Operation Respond Institute. (First Responders/ Nuclear and Chemical Industry/State, Local, Tribal, and Federal Government Officials)	Operation Respond Institute http://www.OREIS.org/ Phone: 202-548-0935 Fax: 202-548-0945
Overview B Implementing the Federal Hazardous Materials Transportation Law	Booklet	Provides a broad explanation of the law, regulations, enforcement, statutory preemption, emergency response, training, and public sector training/planning grants. (Transportation Community/General Public)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
Radioactive Materials Regulations Review	Booklet	Provides an overview of the U.S. Department of Transportation regulations for radioactive materials. (General Public)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training

Transportation Information Distributed by Transportation External Coordination Working Group Participants

			http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
RAM Transportation Route Guidelines (8/92)	Booklet	Serves as a guide for selecting preferred highway routes for highway route controlled quantity shipments of radioactive materials. (Shippers/Carriers/General Public)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
Registration Program	Brochure	Provides registration criteria and instructions for those who offer or transport hazardous materials. (Shippers/Carriers)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
RSPA's Hazardous Materials Safety Brochure	Brochure	Describes the mission of each Hazardous Materials Safety Office within the U.S. Department of Transportation's Research and Special Programs	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		Administration (RSPA). (Transportation Community/General Public)	http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
Safety Alert Advisory Guidance (2/97)	Brochure	Addresses issues of offering, accepting, and transporting hazardous materials. (Transportation Community)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
SI B International System of Units	Brochure	Explains the International System of Units commonly used to express the numerical values of radioactive materials. (General Public)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
Spent Fuel and High-Level Radioactive Waste Transportation Handbook (1/95)	Booklet	Outlines the policies and programs associated with DOE's radioactive waste management plan as implemented by the Office of Civilian Radioactive Waste Management. (General Public)	Southern States Energy Board for U.S. Department of Energy Office of Civilian Radioactive Waste Management http://www.sseb.org/ Phone: 202-667-7303 or 770-242-7712 Fax: 202-667-7313 or 770-242-0421
Training Makes A Sense and ... It's the Law!	Brochure	Describes training requirements for the hazmat	U.S. Department of Transportation

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		employer and employees. Frequently asked questions are answered and regulations cited for 126F. (Hazardous Materials Employers and Employees)	Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
Transporting Radioactive Materials...Answers to Your Questions (6/99)	Booklet	Provides an overview of the transportation of radioactive materials for a general audience. Topics covered include radiation, transportation regulations, uses of radioactive materials, radioactive waste, routing, packaging and transport methods, emergency preparedness, etc. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Transporting Radioactive Materials Safely: Guide to DOE Transportation (9/98)	Brochure	Lists U.S. Department of Energy (DOE) transportation programs with associated regulations, DOE points-of-contact; identifies types of radioactive materials shipped by DOE; and maps out the Radiological Assistance Program nationwide. (General Public and DOE/Contractor Staff)	U.S. Department of Energy National Transportation Program and Senior Transportation Executive Forum http://www.ntp.doe.gov/ Phone: 505-845-6134 202-586-8142 Fax: 505-845-5508
Transport of Radioactive Materials: Q&A About Incident Response (1994)	Booklet	Discusses topics of interest to emergency responders related to transporting radioactive materials. Subjects covered include radiation, transport regulations, guidelines for emergency response, instrument usage, and definitions. (First Responders/Emergency	REAC/TS, Oak Ridge Associated Universities under U.S. Department of Energy contract http://www.ora.ou.org/ Phone: 865-576-3131 Fax: 865-576-9522

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		Management Officials)	
Transuranic Waste Transportation (1994)	Booklet	Explains the reasons for and methods of transporting transuranic waste by the U.S. Department of Energy. (General Public)	Southern States Energy Board for U.S. Department of Energy Office of Civilian Radioactive Waste Management http://www.sseb.org/ Phone: 202-667-7303 or 770-242-7712 Fax: 202-667-7313 or 770-242-0421
Fact Sheets:			
Backgrounder: How Are WIPP Transportation Routes Chosen? (6/98)	Fact Sheet	Covers basic routing issues such as regulations, influence of States and the role of State collaborations related to Waste Isolation Pilot Plant shipments. (General Public/Media)	National Safety Council under Cooperative Agreement with the U.S. Department of Energy http://www.nsc.org/ehc.htm/ Phone: 202-293-2270 Fax: 202-293-0032
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Backgrounder: Safety Precautions and Emergency Preparedness for Transporting Waste to the WIPP (5/98)	Fact Sheet	Discusses precautions taken by the U.S. Department of Energy and other agencies to promote safe passage of transuranic waste shipments to the Waste Isolation Pilot Plant (WIPP). (General Public/Media)	National Safety Council under Cooperative Agreement with the U.S. Department of Energy http://www.nsc.org/ehc/wipp.htm/ Phone: 202-293-2270, ext. 483 Fax: 202-293-0032
Backgrounder: Selecting a Shipment Method: Trucks Versus Trains (6/98)	Fact Sheet	Details modal selection method for Waste Isolation Pilot Plant shipments and identifies shipment method selected. (General Public/Media)	National Safety Council under Cooperative Agreement with the U.S. Department of Energy http://www.nsc.org/ehc/wipp.htm/

Transportation Information Distributed by Transportation External Coordination Working Group Participants

			Phone: 202-293-2270, ext. 483 Fax: 202-293-0032
Backgrounder: Transuranic Waste Shipping Containers (7/98)	Fact Sheet	Addresses options for packaging of transuranic waste to Waste Isolation Pilot Plant, testing, and certification methods. (General Public/Media)	National Safety Council under Cooperative Agreement with the U.S. Department of Energy http://www.nsc.org/ehc.htm/ Phone: 202-293-2270 Fax: 202-293-0032
Be Part of the Decisionmaking Process B How You Can Make a Difference	Fact Sheet	Explains the U.S. Department of Energy decision-making process and how it is influenced by public participation. (General Public/Media/Training)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
Civilian Radioactive Waste Management System (4/97)	Fact Sheet	Outlines basic information on U.S. Department of Energy Office of Civilian Radioactive Waste Management responsibilities. (General Public)	U.S. Department of Energy Office of Civilian Radioactive Waste Management Yucca Mountain Site Characterization Office http://www.rw.doe.gov/ Phone: 1-800-225-6972 Fax: 702-295-5222
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
DOE Shipping Activity (3/99)	Fact Sheet	Discusses the types and numbers of U.S. Department of Energy shipments. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508

Transportation Information Distributed by Transportation External Coordination Working Group Participants

Foreign Research Reactor Spent Nuclear Fuel B Environmental Impact Statement	Fact Sheet	Explains the purpose, alternatives, and other issues related to the EIS on a Proposed Nuclear Weapons Nonproliferation Policy Concerning Foreign Research Reactor Spent Nuclear Fuel (General Public/Media/Trainers)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
Foreign Research Reactor Spent Nuclear Fuel B How Could It Be Managed?	Fact Sheet	Explains the Foreign Research Reactor Spent Nuclear Fuel Environmental Impact Statement Management Alternatives (General Public/Media/Trainers)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
Foreign Research Reactor Spent Nuclear Fuel B What Are Its Characteristics?	Fact Sheet	Answers basic questions on this type of fuel. (General Public/Media/Trainers)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
International Transportation of Radioactive Materials (3/99)	Fact Sheet	Provides information on safety standards issued by the International Atomic Energy Agency for transporting radioactive materials and the U.S.	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		Department of Energy's (DOE) involvement in international shipping. (General Public/Media/Trainers)	Phone: 505-845-6134 Fax: 505-845-5508
Key Facts About Casks for Used Nuclear Fuel Transport	Fact Sheet	Description of transport containers, their design and safety tests. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Key Facts About History of Used Nuclear Fuel Transportation	Fact Sheet	Basic discussion of transportation. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Key Facts About Specialized Training for Emergency Response Teams, Carriers	Fact Sheet	Discusses training necessary for responding to transportation incidents involving radioactive materials shipments. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Key Facts About the Sandia National Laboratories= Tests	Fact Sheet	Discusses packaging tests conducted by Sandia National Laboratories. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Key Facts About Transportation Routing and Regulation	Fact Sheet	Gives readers basic information on regulations, routing, etc. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019

Transportation Information Distributed by Transportation External Coordination Working Group Participants

<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Key Facts About Why Used Nuclear Fuel Should Be Moved to Central Storage	Fact Sheet	Argues the case for central storage of spent nuclear fuel. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
National Environmental Policy Act	Fact Sheet	Details the basics of the Act. (General Public/Media/Trainers)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
Naval Nuclear Reactor Compartment Shipments on the Columbia River (9/99)	Fact Sheet	Describes transport of Naval reactor compartments on the Columbia River. (General Public/Media)	Oregon Department of Energy http://www.energy.state.or.us/ Phone: 1-800-221-8035 Fax: 503-373-7806
Nuclear Energy and the Environment (9/99)	Fact Sheet	Addresses the tests for radioactive materials transportation packagings. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Nuclear Industry Has Safely Transported Used Nuclear Fuel for More than 30 Years, The (3/97)	Fact Sheet	Details safety record of the industry. (General Public/Media/Trainers)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019

Transportation Information Distributed by Transportation External Coordination Working Group Participants

<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Port Screening and Evaluation	Fact Sheet	Describes the process used in screening ports for entry of spent nuclear fuel into the U.S. (General Public/Media/Trainers)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone: (Washington, DC): 202-863-5084 Fax: 202-554-3267
Radiation Effects from Used Fuel Shipments Minimal Along Transportation Routes	Fact Sheet	Provides results of a safety analysis performed to determine the effects of routing spent nuclear fuel and high-level waste to Yucca Mountain. (General Public/Media/Trainers)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Radiation: Unlocking the Mystery	Fact Sheet	Presents radiation basics. (General Public/Media/Trainers)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
Radioactive Materials Package Performance (3/99)	Fact Sheet	Details Federal packaging performance requirements and methods, including computer analyses, scale-model tests, comparisons to similar packages, and full-scale tests. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508

Transportation Information Distributed by Transportation External Coordination Working Group Participants

Radioactive Materials Shipping Regulations (3/99)	Fact Sheet	Focuses on international standards and Federal transportation regulations and discusses marking, labeling, placarding, shipping papers, route selection, and driver training. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Radioactive Materials Transportation: Emergency Response (1999)	Fact Sheet	Explains U.S. Department of Energy Emergency Preparedness Program for radioactive materials shipments. (General Public/Media/Trainers)	U.S. Department of Energy Office of Transportation and Emergency Management http://www.em.doe.gov/otem/ http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
Radioactive Waste Transport in Oregon	Fact Sheet	Describes movement of radioactive waste through the State. (General Public/Media)	Oregon Department of Energy http://www.energy.state.or.us/ Phone: 1-800-221-8035 Fax: 503-373-7806
Safety: The Key to Success (10/94)	Fact Sheet	Provides information on disposal of the nation's commercial spent nuclear fuel, including cask testing and transportation issues. (General Public)	U.S. Department of Energy Office of Civilian Radioactive Waste Management Yucca Mountain Site Characterization Office http://www.rw.doe.gov/ Phone: 1-800-225-6972 Fax: 702-295-5222
Spent Nuclear Fuel and High-Level Radioactive	Fact Sheet	Defines spent fuel and high-level waste and discusses	U.S. Department of Energy

Transportation Information Distributed by Transportation External Coordination Working Group Participants

Waste Transportation (3/99)		regulatory requirements and safety precautions taken in their transport. (General Public/Media/Trainers)	National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
Supporting U.S. Nonproliferation Policies	Fact Sheet	Details the U.S. position in international efforts to prevent proliferation of nuclear weapons. (General Public/Media/Training)	U.S. Department of Energy Office of Environmental Management http://www.em.doe.gov/ Phone: 1-800-736-3282 Phone (Washington, DC): 202-863-5084 Fax: 202-554-3267
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Testing of Spent Fuel Transport Casks	Fact Sheet	Provides photographs of package testing for Type B containers. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
TRANSCOM: A Transportation Tracking and Communications System (4/99)	Fact Sheet	Describes the TRANSCOM System and explains the types of information available to authorized users. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
Transportation Containers Pass Every Test of Integrity, Protect Public Safety During 2,400 Used Fuel Shipments (4/97)	Fact Sheet	Sets out Senator Richard Bryan's discussion on spent fuel transportation during S. 104 debate. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
Transportation of Spent Nuclear Fuel (4/96)	Fact Sheet	Details the transportation system necessary for the	U.S. Department of Energy

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		successful operation of any proposed permanent geologic repository for the disposal of spent nuclear fuel. (General Public)	Office of Civilian Radioactive Waste Management Yucca Mountain Site Characterization Office http://www.rw.doe.gov/ Phone: 1-800-225-6972 Fax: 702-295-5222
Transportation Quick Fact Series: \$ BMI-I (3/99) \$ Model-2000 Transport Package(3/99) \$ GNS-16 (4/99) \$ IF-300 (3/99) \$ NAC-LWT (3/99) \$ NLI-1/2 (3/99) \$ TN-8L (3/99) \$ TRUPACT-II (3/99)	Fact Sheets	Provides very basic information on a variety of transport packagings. The reverse side of each contains a schematic of the packaging detailed on the front. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Transporting DOE's Low-Level Radioactive Waste (3/99)	Fact Sheet	Explains what Low-Level radioactive waste is and how it is generated, transport regulations, etc. (General Public/Media/Trainers)	U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
Transporting Radioactive Materials (9/99)	Fact Sheet	Focuses on general transportation facts, including a section dealing with accidents and emergency response. (General Public)	Nuclear Energy Institute http://www.nei.org/ Phone: 202-739-8000 Fax: 202-785-4019
WIPP Fact Sheet: TRUPACT-II	Fact Sheet	Provides information on the TRUPACT-II container designed for shipping contact-handled transuranic	U.S. Department of Energy Carlsbad Area Office

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		waste to the Waste Isolation Pilot Plant in New Mexico. (General Public)	http://www.wipp.carlsbad.nm.us/cao.html Phone: 1-800-336-9477 Fax: 505-234-7083 Email: infocntr@wipp.carlsbad.nm.us
WIPP Transportation System (6/99)	Fact Sheet	Offers information on the containers, transport vehicles and shipping routes associated with shipments to the Waste Isolation Pilot Plant. (General Public)	U.S. Department of Energy Carlsbad Area Office http://www.wipp.carlsbad.nm.us/cao.html Phone: 1-800-336-9477 Fax: 505-234-7083 Email: infocntr@wipp.carlsbad.nm.us
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Training Materials:			
Guide for Brokers, Forwarding Agents, Freight Forwarders	Guide	Serves as a training aid for review of hazardous materials; available in English and Spanish. (Trainers)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov

Transportation Information Distributed by Transportation External Coordination Working Group Participants

Hazardous Materials Safety Kit (1999): \$ U.S. Department of Transportation, Office of Hazardous Materials Safety Organization Chart \$ Hazmat Publications List \$ Brochure: These Fly...These May Not \$ Brochure: What Hazardous Materials Regulations Apply to Agricultural Transportation? \$ Brochure: What Hazardous Materials Regulations Apply to Materials of Trade? \$ Brochure: Do You Transport Hazardous Materials... \$ Hazardous Materials Safety	Training Materials	Provides a series of materials describing hazmat regulations and safety, designed for use in hazmat training classes. (Trainers/General Public)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
<i>Title/(Publication Date)</i>	<i>Format</i>	<i>Message/(Audience)</i>	<i>Originating Office</i>
Hazardous Materials Transportation Training Modules (8/98)	CD-ROM	Covers Hazardous Materials Table; Shipping Papers; Packaging; Marking and Labeling; Placarding; Carrier Requirements (Highway); Carrier Requirements (Air); and AHow to Use the Hazardous Materials Regulations.@ This self-paced tutorial presentation is in the IBM-PC format. The downloadable files include instructor and student manuals, tests, answer	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/mod.htm Phone: 202-366-2301 Fax: 202-366-7342

Transportation Information Distributed by Transportation External Coordination Working Group Participants

		keys, and transparencies. Manuals and transparencies may also be downloaded from website. (Trainers/ Transportation Community)	Email: TRAINING@rspa.dot.gov
Hazardous Materials Transportation Training Modules Brochure	Brochure	Describes the training modules developed by the U.S. Department of Transportation. In a CD-ROM format, the modules assist in meeting general awareness training requirements under 49 CFR. (Trainers)	U.S. Department of Transportation Research and Special Programs Administration Office of Hazardous Materials Initiatives and Training http://www.hazmat.dot.gov/ Phone: 202-366-2301 Fax: 202-366-7342 Email: TRAINING@rspa.dot.gov
HazTranz	Curriculum and Game	Increases student awareness of issues related to the handling, packaging, and transportation of radioactive materials. (Educators/Students)	Argonne National Laboratory and Chicago teachers for the U.S. Department of Energy National Transportation Program http://www.ntp.doe.gov/ Phone: 505-845-6134 Fax: 505-845-5508
